AED PAC ONLINE SOLICITATION CONSENT FORM

The Federal Election Campaign Act requires trade associations to obtain permission from members before they may receive information about or be solicited for contributions to the association's political action committee. Please note that as a matter of AED policy this form must be signed before we can accept PAC contributions from you or any of your employees.

I hereby give permission for the Associated Equipment Distributors Political Action Committee to solicit contributions from (Please check one of the two options below):

- My company's principals and senior management level employees (including myself) during the year(s) indicated below.
- Only myself during the year(s) indicated below.

I certify that I have the authority to give such solicitation consent and that my company has not given solicitation permission to any other trade association political action committee for the year(s) indicated.

Full Name Title

Company Name Email

Federal law requires separate and specific consent for each year. Please sign the line beside every year for which you wish to give solicitation permission.
